

# Graduate School Fair at DSU

## For Students

Tuesday, September 26, 2017 10am-2pm

Location: Ballroom, Gardner Center

### Why you should attend the Graduate School Fair

- Jump start your career by becoming an 'employable quality graduate'
- Graduate School Fair comes only once per year
- Network to broaden your horizons after graduation
- Campus representatives from more than 70 schools with graduate, business, and health professions programs
- Opportunity to discuss admissions and degree requirements
- Talk informally with admissions representatives about their specific institution and about the benefits of graduate study in general

### Tips for Graduate Fair Attendees

- Dress – Business Casual\*
- Arrive at 10 – Give yourself time to visit with people
- Come prepared – Do your research on the institutions that most interest you
- Shake hands confidently with the representative
- Introduce yourself in a friendly manner
- Ask lots of questions
- Thank each representative you speak with

Remember, YOU are representing DSU, while they're representing their schools. Making a good first impression will encourage them to participate in future fairs.

\*If you are unsure how to dress please come to the Career Center located on the 5<sup>th</sup> floor of the Holland Building for assistance.
